CAPABILITIES STATEMENT

Service-Disabled Veteran-Owned Small Business (SDVOSB) · Founded 2008

COMPANY OVERVIEW

Founded in 2008, FalconTek is an agile, mission-driven Service-Disabled Veteran-Owned Small Business that provides technical, professional, healthcare, and facility support solutions. As a people solutions company, we deliver top-tier personnel, solutions, and services to federal agencies, state and local governments, and commercial firms. Our experience supporting large-scale government programs, CONUS and OCONUS, gives us the relationships to deploy resources rapidly, and our team is distributed across the United States.

Markets served: Defense & Intel, Federal Civilian, State & Local, Healthcare, and Private Sector.

CORE COMPETENCIES

Information Technology

- Infrastructure, cloud, and network engineering (cleared and uncleared)
- Application and software development teams
- Cybersecurity for classified and unclassified networks
- Data platforms, BI, and data warehousing
- Technical project management (PMP-certified staff)
- Help desk, desktop support, and IT asset deployment

Professional Solutions

- Language analysis and cultural advisory: translation, interpretation, transcription, media exploitation
- Intelligence analysis and collection: insider threat, HUMINT, OSINT, SIGINT, imagery
- Program and project management
- Business operations, administration, and logistics

Healthcare

- Medical staffing and allied health
- Health IT support
- Short- and long-term support for public and private sector clients

Facility Support

- Housekeeping and custodial; grounds maintenance and landscaping
- Base operations support
- Special trades: electrical, plumbing, HVAC
- General facility maintenance and repair

Workforce and Staffing Solutions

Rapidly scale technical, professional, and healthcare talent up or down on a subcontract, contract-to-hire, or permanent placement basis, using FalconTek's Strategic Sourcing Process to efficiently locate the staff your team requires.

DIFFERENTIATORS

Mission focused. We focus on the end client's mission, not a pre-packaged solution.

Client driven. We work on our clients' terms and bring the right people, processes, and technology.

Ready to deploy. Experienced in rapidly deploying cleared and uncleared resources to CONUS and OCONUS projects.

Certified SDVOSB. SBA-certified SDVOSB and VOSB, available to you as a prime or a subcontractor.
